All Customers,

On Sunday night, April 5th, Auto-Wares will begin running a nightly truck from Grand Rapids to Chicago, and Grand Rapids to Warren. At this time, no merchandise will be transferred from Warren or Chicago.

The Grand Rapids to Chicago truck will give Wisconsin and Illinois customers access to all Michigan Distribution Centers' product except for Warren. The Grand Rapids to Warren shuttle will give Warren area customers access to all other Michigan Distribution Centers' product.

You can place orders through your normal channels (CounterWorks, AWIOL, Myplace), order cutoff times will be as they were prior to discontinuing the shuttle truck.

These shuttles will run on our normal schedule of Sunday through Thursday. We are also working diligently to reconnect all of our locations.

Thank you for your continued patience. If you have any questions, please send an email to help@autowares.com or use the "Help" button on autowaresgroup.com (in the top right corner).
